

Mrs. Tech

Physical Education & Health Instructor

Jamie Tech is currently furthering her education through Liberty University online with plans to earn her Master's Degree as well.

Jamie has been a volunteer in youth ministry at her church for five years. She has also led the Youth Outreach Program which is aimed at getting students out into the community serving others. In addition, she is very involved as a volunteer and speaker at Edinboro Camp and Retreat Center. Her heart is always to find ways to infuse God's word in everything she does and teaches.

Jamie and her husband, Justin, have three children of which they spend most of their free time. But Jamie's hobbies are singing praise and worship music, running, traveling, volunteering and spending time with her family.

"My passion is to raise up a generation of children who love the Lord and love others, while seeing the blessings God has for them in everything they do."
