**Pre-K & Kindergarten**

Jessie Monteleone graduated from Penn State University with a Bachelor of Science degree in Early Education PK-4. She was chosen as one of 48 Elementary Education majors to participate in a collaborative, 185-day, full-time elementary student teaching internship in the PA State College School District. At LCA, she is the faculty advisor for the middle school leadership team and the student government.

She loves skiing at Peek'n Peak, hiking, and stand up paddle boarding at the Peninsula.

"I am honored to come to school every day and share the love of Christ with my students while encouraging their interest in knowledge and creativity."
