

Sadie Kent graduated from Liberty University in 2020 with a Bachelor of Science in Family & Child Development. She is currently preparing to begin the next step in her educational journey where she will obtain her Masters of Education. She has served in various children's ministry roles at her home church and throughout college, including being an assistant director of a summer camp for teens. She also held the position of Resident Assistant during her last two years at Liberty University, which stretched and strengthened her leadership abilities beyond measure.

Sadie grew up in private Christian education from K-12 and continued down that same route for her college experience. School choice and Christian education are two things that she is extremely passionate about. Her favorite part of working at LCA is that she gets to speak openly about Christ and how she gets to help cultivate a love and understanding for the Lord in the lives of children.

In addition to her love for teaching children, Sadie also serves alongside her husband, who is the GraceYouth Leader, at Grace Church. She also serves on worship team at Grace as a vocalist. Outside of school and church, Sadie enjoys spending time with her husband, Matt and her puppy, Hank. She also enjoys baking, hiking, camping in Clear Creek State park (near her hometown), and traveling to new places with her family and friends.

"I love the fact that I get to work in such a Gospel centered place where we are raising up the next generation of faith leaders. Doing this brings a smile to my heart and my face each day."
